

Third Grade Summer Reading

1. Read 1 fiction and 1 nonfiction book. Please choose books that are appropriate for your reading level. If there are 5 words on a page that you don't know, the book is too hard!
2. I would like you to write a paragraph about each book. I would like to know the title of each book. I would also like to know what your favorite part was. Would you recommend this book? Why? Lastly, why did you choose to read this book?
3. I would like you to read the word list below. If there are any words you do not know how to read AND spell, please practice them over the summer.
