Please label all large items with your child's name, but not the smaller ones like markers, pencils and white out-we will share these items as a class. As an FYI-it is very helpful to have all clothes (especially sweatshirts and gym clothes) labeled with your child's name. Many of the clothes look very much alike because of the uniform policy. Labeling the clothes makes it *MUCH* easier to find the correct owner if/when the item gets misplaced. I don't want your child's clothes to end up in the lost and found! ☺
