**I understand that my son/daughter may NOT transport any additional students to or from school/practice. This is a special driving privilege to assist families in their transportation needs for sports & other specified circumstances.**

- A parking sticker will be issued to the student for that specific vehicle once approved by administration. The parking sticker must be affixed to the windshield side of the rearview mirror. This would make it visible from the outside of the vehicle. **The parking sticker should not be affixed to the mirror side.**
- I, the parent/legal guardian of the above named student, have read the terms & conditions listed on both sides of this Underclassman Driving Application and agree to them in their entirety.
