

Dear Prospective Finney Students & Parents,

Welcome to **The Charles Finney School!** Thank you for demonstrating your interest in our Christian school which serves students Kindergarten through Grade 12. Finney is a unique experience where students care about school because we care about students.

We invite you to check out the enclosed Finney information and application packet.

- Enclosed please find our **letter from our president**, Mr. Michael VanLeeuwen. Please become acquainted with **our mission and vision statements** as well as our **Statement of Faith**.
- The **Student application** for admission to The Charles Finney School requires both parent and student to complete their portions. Located within those student application packets designed for admittance into grades 6 through 12 you will discover a **Pledge of Integrity**. We ask for both student and parent to read and sign this commitment.
- Recognizing that **The Charles Finney School** is a Christian school, we place great significance on the spiritual aspect of one's life. Every family is requested to have their pastor or youth pastor complete a **pastoral reference** on their students' behalf. If you are unable to obtain one, please call to schedule an interview with Mr. VanLeeuwen and myself.
- Located in those admissions packet's designed for entrance into grades 7-12, you will discover one or two **personal reference forms**. These forms are to be completed by your students former teacher(s), employer, or from a non-relative who has played a significant role in the life of your student. One personal reference is required for entrance into grades 7 and 8; two references are required for grades 9-12.
- A listing of **Finney sports, music and art programs** being offered is included.
- **Request for Student Records:** it is imperative that you have your student's school records faxed or mailed to us. This piece, as well as the completed student application, is critical for sending your student's file for review for admittance into Finney.
